

December 18th, 2023

To my Valued Patients,

As many of you already know, on December 28th I will be hanging up my drill for the final time and retiring from dentistry. After 34 wonderful years of practicing, it is time for me to explore the next chapter of my life.

I would like to thank each and every one of you for your trust and confidence in permitting me to take care of your dental needs throughout the years. Your loyalty and friendship is very much appreciated, and I will always cherish that.

Both Dr. Biederwolf and Dr. Burns are already business partners of mine and will be taking over all operations of the practice. Clinically and ethically, you have two of the finest Doctors in Wisconsin providing you with your dental care.

Debbie and I will be spending much more time at our cottage in Minocqua, but with our boys still working in the Milwaukee area, we will return to Waukesha from time to time.

Once again, thank you all so much for giving me an amazing career in Dentistry, and

Debbie and I hope to bump into you outside of the dental chair!

With much appreciation,

Brett C. Skarr, DDS
